Ganesh Dey is a dedicated lecturer of physiotherapy with a specialization in disability and rehabilitation, particularly focused on the musculoskeletal system. Born and raised with a passion for healthcare in Bangladesh, Ganesh completed his graduation from Bangladesh Health Professions Institute, affiliated with the University of Dhaka, in 2019. Now he is studying M.Sc. in Physiotherapy Part II. With over four years of hands-on experience in the field, Ganesh Dey has become a seasoned professional in physiotherapy. His expertise lies in addressing musculoskeletal disorders and designing rehabilitation programs that enhance mobility and quality of life for patients. Ganesh is committed to continuous learning and has undergone specialized training in physiotherapy education. Ganesh Dey is an active member of the Bangladesh Physiotherapy Association (BPA). As a lecturer, practitioner, and advocate in the field of physiotherapy, Ganesh Dey continues to make significant contributions to the healthcare landscape in Bangladesh. His passion for excellence and commitment to advancing the field make him a respected figure among peers and students alike.
